Terms of Service

Payment The applicant agrees to pay monthly for the utility services rendered by the district according to the rates of the district as approved by the board of directors of the district.

Reasonable Access The applicant shall permit the authorized representatives of the district to enter on the customer's premises at all reasonable times for purposes connected with rendering, billing, connecting, disconnecting or maintaining utility service.

Termination of Service The applicant agrees to be responsible for the payment of utilities charges incurred at these premises until their responsibility is terminated in one of the following ways:

1. By a three day written notice to the district to have services disconnected and the district physically terminating the service.
2. By the proper assumption of the payment responsibility by a party acceptable to the district and upon completion of an application for service by the other party.

Policies Service is subject to all policies and procedures of the district as may be enacted or amended from time to time by the district without prior notice or consent and includes the right of the district to place restrictions and limits on the purpose, quantity, timing and location of water use. A complete copy of district policies, procedures, terms and rates may be obtained by contacting the district office.

Conflict In case of conflict between the terms stated on this form and current district policy or procedure, current policy or procedure shall prevail.

The applicant warrants that all the information provided by them in this application is true and correct and understands that false or misleading information shall cause the district to deny or cancel service and demand immediate payment of any amounts which are due.
